

Android Developer - In-Vehicle Infotainment Systems

Workplace: 418 32, Gothenburg

Apply online!

What to expect:

- Develop and maintain **Android-based applications** for **in-vehicle infotainment (IVI)** platforms
- Integrate **Android Automotive OS** features and ensure alignment with **OEM system requirements**
- Collaborate with **cross-functional teams** (HMI, UX/UI, middleware) to deliver **seamless user experiences**
- Conduct **debugging, performance optimization, and integration testing** on **embedded hardware**
- Ensure compliance with **automotive software quality and safety standards** (ASPICE, ISO 26262)

What you bring along:

- Proven experience in **Android development (Kotlin/Java)** within **automotive or embedded environments**
- Strong understanding of **Android Automotive OS, AOSP, and in-vehicle communication protocols (CAN, LIN, Ethernet)**
- Familiarity with **software integration tools (Git, Jenkins, Gerrit)**
- Knowledge of **C++** is a plus
- **Fluent English**, structured and proactive mindset
- This role requires **on-site collaboration** at our **Gothenburg** location and candidates **must hold valid work authorization in Sweden.**

With more than **54 locations throughout Europe**, the **Bertrandt Group** has been providing **engineering and development solutions** for the international **automotive and aerospace industries** since **1974**. More than **12,000 employees** use their **know-how** and **innovative strength** every day to support our customers – **leading manufacturers and OEMs** – with integrated solutions in **management, design, and industrialization**.

Bertrandt is now expanding into Sweden, establishing a **strong and future-oriented presence in Gothenburg**. Our activities cover a **spectrum of expertise** from **electrical, electronics, and software development** to **design engineering, project management, quality, industrialization, and validation**, all driven by **innovation** and a **passion for technology**.

What we offer:

Flexible working hours

Training programs

Employee events

Attractive compensation

Team-oriented work
