Would you like to work with the latest technology in the automotive sector?

Bertrandt AG Spain is an innovative German multinational company that provides engineering solutions in the automotive sector.

Teamwork is the fuel that drives us to excellence, working side by side with the client. We are people who share the same passion.

Do you want to join our team?

Activity:

Support to Piloting Quality Assurance, within the product engineering metiers, for projects and serial life in the powertrain area. Act as support for the global representative of the Quality and Customer Satisfaction Department to the Powertrain Project Director throughout the entire lifecycle of powertrain components.

Key Responsibilities:

- Define and deploy quality and customer satisfaction targets for development projects, ensuring that commitments made align with these targets.
- Establish and decide on the quality milestones to be applied to projects, along with the required deliverables at each milestone; communicate these expectations to project stakeholders.
- Conduct quality evaluations at milestones and prepare opinions and approvals; raise alerts in case of deviations or identified critical issues.
- Ensure consistency and robustness of commitments delivered by the various functions. This may involve performing direct evaluations of results within specific scopes.
- Issue opinions and approvals at project milestones, within the framework of defined delegations.

- Enforce quality rules and standards across programs.
- Decide on the sellability status of components during the launch phase, in accordance with quality rules.
- Perform PDCA (Plan-Do-Check-Act) reviews of milestones to feed lessons learned back to the Quality Assurance function

Required Knowledge & Skills:

- Engineering degree
- Engineering experience preferable SW & Tuning PWT.
- Communication with teams in English and/ or French.
- Knowledge of office software (EXCEL, POWERPOINT, WORD, etc.)
- Strong experience in project and transversal animation
- Synthesis capacity
- Problem analysis skills.

What can we offer you?

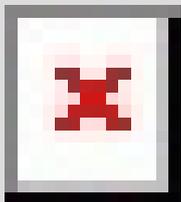

- Permanent contract
- Flexible working hours - 07:00-15:00
- Language training programs and continuous learning
- Flexible compensation plan (health insurance)
- 23 working days of vacation
- Company events – we like to have fun!
- A great work environment – open and inclusive

If you believe this role is for you and want to work in a dynamic and continuously learning environment, **apply now – we're excited to meet you!**

We are BERTRANDT. And you?

We're waiting for you!

At Bertrandt AG Spain, we are committed to creating a diverse and inclusive workplace and believe in equal opportunities for all qualified individuals, regardless of gender, age, disability, sexual orientation, gender identity or expression, religion, ethnicity, marital status, or any other personal or social circumstance.
