

# Automotive Structural Design Engineer

**Sede di lavoro:** 40019, Sant'Agata Bolognese

**Adesso candidatura online!**

## Activities:

- Create and modify 2D/3D CAD models of structural components using CATIA V5;
- Develop multi-material BiW components, ensuring targets for performance, weight, cost, and feasibility are met;
- Support DMU, packaging checks, and resolution of CAD-related issues;
- Provide input for engineering changes, BOM updates, prototype rework, and technical documentation;
- Collaborate with testing teams to manage component data, evaluate results, and propose improvements;
- Ensure timely delivery of design outputs and maintain accurate reporting.

## Requirements:

- Experience in BiW or structural component design within the automotive sector;
- Strong proficiency in CATIA V5 and understanding of manufacturing processes (stamping, joining, composites);
- Ability to interpret technical requirements and propose feasible engineering solutions;
- Strong communication, problem-solving, and project-tracking skills;
- Good command of English.

As a leading technology partner in the automotive, aerospace and mechanical engineering sectors, Bertrandt focuses on the trends of digitalization, autonomous systems, connectivity and electric mobility. With our almost 50 years of cross-sector experience, our global presence and our expert organization, we help to shape the future and implement innovative projects for our customers. Our strengths are our many years of experience in transformation processes, our ability to see projects from a holistic perspective – from the initial idea to start of production and after sales – and the speed at which we can scale up projects. Around 13.000 employees at more than 50 sites worldwide are committed to addressing the challenges faced by our customers.

Bertrandt guarantees (in accordance with Legislative Decree 198/2006, Legislative Decree 215/2003 and Legislative Decree 216/2003) equal access to employment for all candidates and are committed to fostering respect for diversity and inclusion in the workplace.
