

## Audit Employee (m/f/d)

**Workplace:** 550107, Sibiu

[Apply online!](#)

### What to expect:

As an employee in the Assessment / Audit area, you would take on the following tasks:

- **Management System Audits:** You are responsible for planning, organizing, and conducting audits (based on ISO 9001, ISO 14001, ISO 50001, ISO 45001/AMS, ISO 27001/TISAX) at our national and international locations as well as our suppliers.
- **Analysis:** Your tasks include documenting and evaluating audit results, following up on actions, and conducting effectiveness checks.
- **Optimization:** You ensure the support, maintenance, and training of the audit tools used and the continuous development of audit management within the group.

### What We Offer:

- **Intensive Onboarding:** An excellent start is the foundation for great collaboration. Therefore, we place special emphasis on an onboarding phase that is long enough to optimally prepare you for your tasks.
- **Mentorship Program:** During the first 6 months, a mentor will be at your side as your "non-specialist" contact for all questions about Bertrandt. He/She will support you from the beginning, ensuring that you settle in well and feel comfortable with us!
- **Flexibility:** Mobile working, flexible working hours, and a varied workday guarantee that you have a balanced work-

### What you bring along:

- **Education:** You have successfully completed your studies in business administration or a technical field or have a comparable qualification.
- **Experience:** You have relevant professional experience in a comparable position in an international environment.
- **Know-how:** You have solid auditor knowledge or auditor training based on DIN EN ISO 19011.
- **Languages:** Very good English skills written and spoken.
- **Flexibility:** You are willing to travel.
- **Strengths:** You have strong communication, conflict resolution, and analytical skills.
- **Hands-on Mentality:** You work in a structured and analytical manner, as well as independently and solution-oriented.

life balance.

- **Values That Are Lived!** Trust, appreciation, respect, team commitment, and freedom are just a few of the values that define Bertrandt and contribute to our positive and open work culture.
- **And Much More!**

Do you identify with this position and are excited about your new challenge? Then we are excited to meet you! Apply easily through our online application tool!

**Attention: all interviews are in English**
