

## Senior Accountant

**Workplace:** 11100, Rabat

[Apply online!](#)

### What to expect:

- Operational management of the entire bookkeeping of the company which was founded in 2023
- Responsible for the preparation of monthly/annual financial statements in accordance with Moroccan GAAP (and ideally IFRS), management of intercompany accounting and optimization of financial reporting.
- Banking and liquidity management, incl. financial, active accounts receivable and accounts payable accounting
- Central point of contact for stakeholders in accounting matters, in particular for the tax authorities and auditors
- Ensuring the timely preparation and submission of VAT returns and tax declarations with assistance of an external tax consultancy
- Creating financial processes in alignment with the Headquarter in Germany to increase quality and efficiency by establishing scalable best-in-class processes.
- Supporting and driving forward optimization and digitalization projects (SAP FI implementation) in alignment with the headquarter in Germany
- Leadership, coaching and development of future team members

### What you bring along:

- A fluent English is mandatory
- Successfully completed business studies with a focus on accounting/finance or comparable or corresponding professional experience in accounting or tax department (preferably from service industry)
- At least 8 years of professional experience in accounting/tax
- Very good knowledge of Moroccan GAAP (and ideally IFRS) and basic knowledge of Moroccan tax law (VAT, corporation tax (with assistance of an external tax consultancy))
- Sense of responsibility, solution-oriented approach, structured, independent and conscientious way of working with a high degree of precision.
- Strong cooperation and communication skills in English (German is a plus)
- Experience with SAP FI (/CO) is highly recommended and much appreciated
